

## 2024 Little Neck Swim and Racquet Club Sponsorship Opportunities

Please consider supporting our community and our team by sponsoring the Little Neck Swim and Racquet Club this season. If you have a business you would like to promote, or are a professional that would like more exposure, a sponsorship is a great way to get your name in front of several area swim teams and spectators, as well as the entire LNSRC membership.

There are different levels of sponsorship available, and the benefits of each level are described in this packet. Your sponsorship will support our Blue Dolphin Swim Team during their season, but the opportunities for exposure extend through the entire summer! There are exciting opportunities to sponsor specific events for the whole pool through the end of the summer.

Thank you in advance for your support. 100% of the sponsorship funds collected will be used to support improvements to the club, annual events at the pool, and the fantastic group of swimmers we have training and competing this summer. Your generous contribution is vital to the continued success of our programs and our pool.
